

Nymeo, Maryland Food Bank pack holiday meal kits for Frederick families in need

FREDERICK COUNTY, MD (November 22, 2017) — Nymeo Federal Credit Union joined forces with Maryland Food Bank to give back to the Frederick community through the Pack to Give Back program. On November 21st, Nymeo staff packed holiday meal kits for Frederick families in need through this program. Approximately 384 bags were filled with nonperishable food items for a complete holiday meal. This was the second consecutive year Nymeo has volunteered for this program.

“Nymeo is committed to fight hunger in Frederick County whether through Pack to Give Back or our \$wipe-out Hunger program,” said Vicki Johnston, President and CEO of Nymeo. “We’re pleased to say that since 2014, Nymeo has donated close to \$40,000 to the Maryland Food Bank for families living in Frederick County.”

The meal kits contained traditional holiday fixings like cranberry sauce, mashed potatoes, gravy and stuffing. The kits will be distributed to pantries ensuring meals for families who might otherwise go without this holiday season.

Nymeo’s \$wipe-out Hunger is the credit union’s effort to fight childhood hunger and directly supports the Frederick County School Pantry Program. Every time a Nymeo member swipes their debit card, Nymeo makes a donation to this program. More information can be found on nymeo.org.
